TECHNOLOGY STAFFING

Asante Alliance provides boutique IT recruiting and staffing services for the growing Idaho technology industry. As a member of the Idaho Technology Council, Asante’s focus is on trusted client partnerships with strict attention to quality control and “fit” for our clients and our candidates. We offer cost effective contract, contract to hire and full-time recruiting with deep local talent pool and reach into PNW, Denver, SLC and Bay Area markets. Focus areas include:

- Data and Analytics-Data Scientists and Analysts, BI, Database Administration and Development
- Network Infrastructure-Virtualization, Data Center, Administration, Engineering, Network, Voice
- Software Engineering and DevOps (Development Operations)
- Scrum Masters-Waterfall/Agile
- Technical Business Analysts and Sales Engineering
- Project Managers and Program Directors
- Cyber Security-Architects, Analysts, Virtual Chief Information Security Officer (vCISO)
- IT Management-CIO/CTO/CISO/VCISO (Interim and FTE)
- Healthcare IT- EMR’s, Population Health, Integration, Telemedicine and Analytics
